Welcome Ojay to the Team!

Congratulations on being selected to join our Ambassador Program! We're thrilled to have you aboard and excited to see what we can achieve together. As a member of our team, you'll play a crucial role in spreading the word about our products and mission.

Here's What You Need to Know:

Exclusive Discounts: As a token of our appreciation, you'll receive an initial 10% discount on all products. Use this to experience what you'll be promoting and share your genuine thoughts with your community.

Earn Commission: You'll start earning a 10% commission on the profits generated through your unique referral code. The more you promote and the more sales you drive, the higher your earnings. Impress us with your performance, and you could see your commission rate soar up to 25% of the profits generated, per order.

Exclusive Access: Get sneak peeks of upcoming products and behind-the-scenes content that you can share with your followers. Your insights and feedback will be invaluable as we continue to innovate and expand our product line.

Performance Boosts: Based on your sales performance, you'll unlock additional benefits such as increased commission rates, access to special promotional materials, and more. We believe in rewarding hard work and exceptional results.

Community and Support: Join a vibrant community of like-minded ambassadors. Share tips, strategies, and experiences, and grow together. Our team will provide you with all the support and guidance you need to succeed.

Get started by familiarizing yourself with our product range and your ambassador toolkit. This includes promotional materials, your unique discount code, and best practices for engaging your audience.

Your Custom Referral Code

As part of our Ambassador Program, here's your unique referral code. This code is your key to earning commissions and tracking the impact of your promotions. Here's what you need to know about your code:

1. **Personalization:** Your code is personalized just for you. It's easy to remember and share, making it simple for your followers to use when they make a purchase.
2. **Usage:** Share your code with your audience via social media, blogs, emails, or any platform you use. Each time someone makes a purchase using your code, they'll receive a discount, and you'll earn a commission on that sale.
3. **Guidelines:** While we encourage creativity in promoting your code, it's important to adhere to our brand guidelines and ethical marketing practices. Ensure your promotions are honest and genuinely reflective of your experience with our products.

Leverage Your Code:

- **Introduce Your Code Early:** When you talk about our products, introduce your code right at the beginning. It reminds your audience they can benefit from a discount.
- **Share Your Experiences:** Use products yourself and share your authentic experiences. Personal testimonials are powerful.
- **Regular Updates:** Keep your audience engaged with regular updates about our products, using your code as a consistent reminder.

We are excited to see the creative ways you'll use your code to enhance your content and engage your audience! Moreover, get more exposure to your page by being featured & reposted on all our socials by submitting your content through the link below:
